Hi Dante,

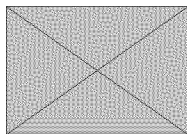

I won't have a chance to review any FS docs until next week, Wednesday or Thursday.

Thanks,

David,

I wanted to go ahead and provide you with my edits/comments on your revisions to the FS. Great job overall! In track changes mode and some inserted comments in the Word document, main text and table D-1 only (no comments on other tables).

I haven't heard back from Jeryl at NDEP yet, so we may have some further comments/edits for you. Stay tuned on that. BLM didn't have any comments.
